SOW for ERT air sample method.docx

Raj,

I am about to put this Scope of Work in so you will get the contractor paid.

I know the contracts folks will ask me.....

How many hours of contractor time estimated [Ex. 4 - CBI]

If so, [Ex. 4 - CBI] \$11,000 ?

See attached draft.....any comments? Note last line (#9).

The last line (#9) is my idea, Raj. Given the nature of this incident, and all the parties involved, we need to make sure there is a comfort level

before proceeding too much further.

Thanks, Raj!

Jack
